## 4. Confirm Select Patient

1. Click on [Attend] button.

The screenshot displays the 'INDIVIDUAL VIRTUAL CONSULTATION LIST' interface. At the top, there is a navigation bar with icons for HOME, DASHBOARDS, EHR, ADMIN, and KNOWLEDGE BANK. The main header includes the hospital name 'HOSPITAL TUANKU AMPUAN NAJIHAH, KUALA PILAH' and a service filter set to 'Dietetic Service'. A table lists four consultations with columns for No., Encounter Start, Encounter ID, Name, Patient ID No., Primary Attender, Location, Service, Priority, and Status. A modal dialog titled 'Attend Patient' is overlaid on the table, asking 'Are you sure you want to ATTEND this patient?' and providing 'View only' and 'Attend' buttons. A blue circle with the number '1' is positioned over the 'Attend' button. The footer shows 'RekodPesakit © 2023' and a session timeout warning.
